

CATHOLIC HIGH SCHOOL

OPEN HOUSE & PLACEMENT TEST INFORMATION

OPEN HOUSE

Open houses provide opportunities for 8th grade students and their families to visit Catholic secondary school campuses. Open houses may include tours, special programs, and demonstrations. The format of the open house is interactive, and parents and students will have the opportunity to ask questions. Refer to the listing of secondary schools on the right for the open house schedule for each school.

PLACEMENT TEST

All students who plan to attend a Catholic secondary school must take the placement test at the secondary school they plan to attend.

The test is scheduled for
Saturday, December 12, 2020, 9:00 a.m.- 12:30 p.m.

The test is free of charge. Students should bring two #2 pencils. The placement test is timed and generally takes three hours. Extended time of up to one and a half hours may be granted to students with special needs with appropriate documentation sent from the elementary school to the secondary school three weeks prior to the test date. (Please note that if the High School Placement Test is cancelled due to inclement weather, it will be rescheduled for the following Saturday – December 19, 2020.)

The placement test helps Catholic secondary schools determine the most appropriate course work and academic path for meeting the needs of individual students. The placement test is only one of several tools used for academic placement. There are many variables that help determine whether or not students are accepted into the secondary school of their choice. Taking the placement test does not guarantee admission to a Catholic secondary school.

In lieu of shadowing and in-person recruitment visits this year, we will be celebrating a High School Recruitment Week. Students in our Catholic elementary schools will discover what makes our Archdiocese high schools so special. The culminating event of this week is the Virtual High School Fair, which will be a wonderful opportunity for students and families to learn more about Catholic high schools and how they serve the needs of their community.

Our fair will feature our nine Catholic high schools delivering their own 25-minute presentation live. You can attend up to 4 sessions and view any of the high schools' sessions in any order that you choose.
